## **DIGNITY AT WORK**

### **BULLYING AND HARASSMENT POLICY**

In support of our value to respect others, Nettleham Parish Council will not tolerate bullying or harassment by, or of, any of their employees, officials, members, contractors, visitors to the Council or members of the public from the community which we serve. The Council is committed to the elimination of any form of intimidation in the workplace.

Any such bullying, harassment or abuse of our Parish Office staff may result in the person, acting in such manner, being refused booking facilities for Council venues until the situation has been reviewed, and resolved, by the Chair of the Council and the Clerk to the Parish Council.
